

"My thanks for your very warm and professional help in the organising of Kirstin and Ami's wedding last Friday. Please also pass on to Management and James your Maitre d on the night and his team, our heartfelt thanks. James and his team (I call them the dream team) made the evening seem a dream run, not easy but made to look so. They were all very professional but likeable and approachable, it was wonderful service. Our special thanks also to the very hard working team of chefs behind the scenes, the food was superb and I know the tremendous amount of effort that goes into turning out dishes that are beautifully presented that also taste divine. To all of Catalina, a big thank you, you helped make it a day to remember, not only for the bride and groom and families but also all of our out of state and overseas guests, you helped us showcase Sydney, you were fantastic"

"As parents of Lucius who celebrated his marriage to Katie at your restaurant, we would like to thank you & all your staff for the magnificent performance, the care & attention to every detail, and above all, the superb presentation of the most delightful food imaginable. We understand that Katie & Lucius received the best help with all the planning & on the day the waiters were most attentive; concerned caring & above all helpful with every detail of service & explanation of the programme as it unfolded. The food was unbelievably good; the Travelling Entrée exquisite, the main courses cooked to perfection and the wine unobtrusive & skilful"

"I received over a dozen letters from our guests congratulating John & I on providing such a wonderful wedding, and enthusing on how much they had enjoyed themselves. When planning a wedding you have to trust the suppliers that they will deliver what they promise. Catalina provided what we asked for and more – an excellent venue, delicious food, wine, friendly and efficient service, and importantly, it was organised and ran as per schedule, which was due to your efficiency. Many thanks"
